Dear Bill:

I want to express my appreciation for your letter of April 15, in which you generously praise the FEI and offer to receive our executives at CIA. I am extremely appreciative of this invitation.

One of our faculty members, Dr. Donald Nuechterlein, does lead a group of executives to Washington each session for a study of foreign policy decision making. He has often visited CIA. I have told him of your support, and I know he will be in touch with your office to help him with his arrangement.

In the fall I do hope you will be willing to visit us at the Institute and to speak to one of our sessions. Director Helms, [redacted] and Red White have all spoken here in the past. I do hope it will be possible for you to do this.

It was a great pleasure to get to know you at the Executive Officers' Conference.

Sincerely yours,

FRANK P. SHERWOOD
Director
