# Memorandum

TO : Director of Training

DATE: 7 May 1971

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

1. Prospects, at this stage, for a full July 1971 Career Training Class of 25 are excellent. Entrance on duty dates have already been set for five external candidates; and, recent CTP Staff interviews indicate that seven to ten additional externals will be selected for the next group. Approximately 12 internals are also under consideration for the July class.

2. Program Officer [redacted] retired effective 6 May after 20 years of distinguished service as an operations officer, Branch Chief and Chief of Station. Fortunately, the CTP Staff was able to capitalize for two years on his broad experience through his selection and placement of some outstanding Career Trainees, who should feel very grateful for Frank's professional attention. The CT's and the Staff will miss his good judgment, straightforward opinions and valuable counsel.

3. Program Officers [redacted] made routine visits to [redacted] this week to confer with CT's attending the BOC.
