[redacted] Operations, was selected by the DDP last fall for the August 1967 - January 1968 term of the Armed Forces Staff College in Norfolk. This assignment comes in the middle of a Headquarters tour for Mr. [redacted], in a supervisory position which has responsibility for CIA's priority operational program against [redacted]. In addition, it is desired to make the best use of his recent field experience operating against [redacted], another difficult denied area target.

2. I therefore wish to withdraw him from the term beginning in August 1967. I intend to resubmit his name later this year for the term beginning in August 1968. While I understand that it is not normal practice for the DDP to make any advance commitments on assignments of this type, I hope under the circumstances that the application will receive favorable consideration at that time.
