SERVICE AND MAINTENANCE INFORMATION
AND GENERATORS USING DETROIT DIESEL ENGINES

1. The manufacturers of the Detroit Diesel Engines publish a monthly service and maintenance topics pamphlet. It is usually a single sheet of four pages.

2. It is recommended that any station operating and maintaining diesel engines manufactured by Detroit Diesel have a copy of this pamphlet mailed directly to the station, attention the appropriate position--such as Attn: [REDACTED] Engineer, Maintenance Superintendent, etc. This can be done by submitting a request to be placed on the mailing list to:

Detroit Diesel Allison Division
General Motors Corporation
13400 W. Outer Drive
Detroit, Michigan 48228

There is no cost for this service.
