MEMORANDUM FOR: Chief, Procurement Division, Office of Logistics

ATTENTION: [REDACTED]

THROUGH: Chief, Support Staff, NPIC

SUBJECT: Shipment of Chip Processor, Contract [REDACTED]

1. Coordination has been effected between P&DS and [REDACTED] Westover AFB, Massachusetts, for that organization to perform test and evaluation of the Chip Processor built under [REDACTED]. Accordingly, it is requested that the necessary contract amendment and shipping instruction be furnished the contractor through [REDACTED] to facilitate shipment. The destination address should be: FX0997, [REDACTED] Mark for: [REDACTED]

2. It is understood the contractor is responsible for shipment - including import duty. At completion of the test and evaluation, a GBL will probably be required to ship the instrument from Westover to [REDACTED]. At present, there are no funds involved in the test and evaluation; however, once test specifications are written, it may be necessary to transfer a small amount to the Air Force for time and materials expended in testing.
