2. The termination cannot be completed until the [REDACTED] personnel travel here and disassemble the Printer-Processor and prepare it for shipment to the [REDACTED] Because the [REDACTED] must provide qualified personnel who have been cleared by the Agency, and because we must arrange for GS personnel to disconnect the electricity and water, the removal of the Printer-Processor will probably not take place until the middle of December.

3. We still have on hand some expendable material such as dye, dye-activator, Electrocolor print film and laminating film. The contractor should be queried regarding a refund for the unused material.
