Subject : Supplemental Agreement No. 1
Contract No. [REDACTED]

Gentlemen:

Subject contract provides for the delivery of certain camera and enlarger equipment to be made on or prior to 30 December 1963.

It has been agreed between the parties hereto that certain technical changes in the specifications of Item 2, the enlarger, are necessary and desirable.

The parties hereto agree that the Paragraph (2), under Item 2 (b), as found on Page 2 of subject contract, shall be deleted in its entirety and the following substituted therefor:

STATOTHR

(2) This flexibility will permit the use of the Printer as an Enlarging Printer, and as a Continuous Flow Reduction Camera.

The parties hereto further agree that the specifications for Item 2 under this contract shall be amended, where applicable, to provide as follows:

- (1) Eliminate step and repeat.
- (2) Improve positive and negative drive.
- (3) Change negative loading station so that reels are positively locked.
- (4) Provide more room under spools on positive and negative spindles to facilitate loading and unloading.
- (5) Change tension idlers to positive lock type.
- (6) Provide automatic tension idlers for flat belts.
- (7) Provide 70 mm negative head assembly with proper condensers, light source, and objective lens with design facility for interchanging heads for 35 mm and 16 mm negative formats.
