Contract Amendment [REDACTED]

STATOTHR

1. It is requested that Item #2, Contract [REDACTED] be amended to:

a. Delete the current paragraph 2. (b) (2), Page No. 2 (SCHEDULE), and substitute therefor the following -

"This flexibility will permit the use of the Printer as an Enlarging Printer and as a Continuous Flow Reduction Camera." And,

STATOTHR

b. Incorporate the specification changes outlined in the attached letter of 23 September 1960 from the Contractor to [REDACTED] the PIC Technical Representative. The last line of paragraph 7. pertains to additional optional equipment which is not desired at this time, and not to specification changes. Consequently the contract amendment should exclude that portion of the Contractor's letter.
