DECLASSIFICATION REVIEW BY NIMA / DoD

TID-21/64
12 February 1964

MEMORANDUM FOR: Assistant for Administration, NPIC
ATTENTION: Chief, Logistics Branch
SUBJECT: Services for High Speed Plotter
REFERENCE: P&DS Memo of 11 December 1963

25X1A

25X1A

1. The [redacted] high speed plotter is scheduled for delivery to [redacted] in May 1964. Outside vacuum source, electrical connections and air conditioning services are required for the plotter which is planned to be located near the east wall of Room 2S-645D. Specifications for these services have been furnished Admin Staff by P&DS, reference memo of 11 December 1963.

2. It is requested that the Admin Staff keep TID advised of the progress and if possible the completion schedule for the requested services.
