Digital Counter for Measuring Machines. (Proposal)

(213) 367-2161

As of Thurs. April 25, 1963

STATINTL

 Eastern regional sales manager, was in the middle of preparing a quote for a Digital Counter. He indicated the quote would be mailed Fri. 26 Apr.

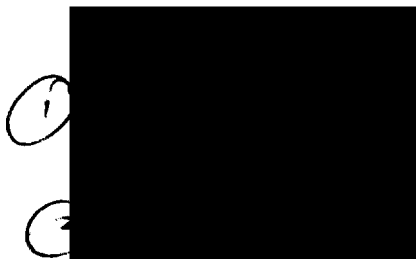

They are a quick reaction house and can deliver in 75 to 90 days. They can keep their prices down because they are in the business of making digital solid state devices and can use many stock components, according to  Their confidence in their equipment is demonstrated by the 2 year warranty.
