Another brief report to keep you posted.....

Plan to call you and Earl Wed March 6, 7 AM.

Administrative

1. Had no trouble at [redacted] verified that they should discuss equipment with me. 25X1A
2. When did you receive letter I mailed Friday Feb 15?
3. Did not receive payment yet for invoices of Jan 25 and Jan 28. The contract turned up with a number slightly different than the one on those two invoices:

On invoices: [redacted] 25X1A  
 On Contract: [redacted]

Maybe that is the reason for the delay.

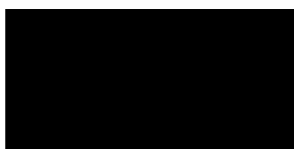

Contacts planned

1. [redacted] Tues. Mar 5  
To get [redacted] proposal started and precontract clearance forms filled out.
2. [redacted] Wed. Mar 6
3. Will make some new contacts the following week.

Best regards,
