9 August 1966

MEMORANDUM FOR: See Distribution

SUBJECT: Briefing by Senior Analysts from [REDACTED]

25X1A

1. On Friday, 19 August 1966, at 1400 hours, senior analysts from [REDACTED] will be in the Main Auditorium to discuss their report entitled "Conceptual Design and Functional Specifications". The report, which is the culmination of Phase I of the analysis, design and implementation of an integrated information system for NPIC, is scheduled to be released on 22 August 1966.

2. All Staff and Division Chiefs, as well as component representatives who worked with UAC personnel during Phase I, are invited to attend this briefing.

25X1A

[REDACTED]

Deputy Chief,  
Information Processing Division, NPIC
