Dear [Redacted]

The attached detailed cost breakdown dated 17 January 1966 constitutes a revision to [Redacted] "Proposal For an Advanced Information Handling System" dated 3 September 1965.

25X1A

This cost revision reflects the adjustments in labor rates and a reduction in our Government approved bidding overhead rates which became effective 1 January 1966. No changes have been made to the total number of labor hours or the amount of travel and consulting services all of which were agreed to in our meeting of 15 December 1965.

Attached also is the requested Certificate of Current Pricing executed by our Division Controller.

The original proposal with these revisions is now valid for a period of ninety (90) days from this date and will be automatically withdrawn if not accepted by the Government or extended by [Redacted] prior to that date.

We will be pleased to clarify any further questions regarding this proposal. Please do not hesitate to contact me directly at my [Redacted]
