1A		1. On 2-3 November 1966, replaced the two damaged fiber bevel gears with two more of the same make. In addition the gear shafts were mounted more firmly and pinned. Acceptance testing is again under way; so far, no damage to the gears is in evidence.	
		2. In regard to the question of funds expended - no documented accounting has been provided - only the verbal statement that "just about all cost funds have been expended."
