NPIC/P&DS/D/6-1307
19 April 1966

MEMORANDUM FOR: Chief, Support Staff, NPIC

ATTENTION: Chief, Logistics Branch, SS

SUBJECT: Receipt of Equipment Under Contract [redacted]

25X1A

1. The subject contract with the [redacted] is for the modification of the film transport system on the [redacted] Enlarger.

25X1A

2. On 5 April 1966, the modified assembly was inspected at the contractor's facilities and a preliminary acceptance was made. [redacted] began to install the equipment at NPIC on 12 April and essentially completed the installation on 14 April 1966.

3. This memorandum serves as notification of receipt of the equipment (receiving report is attached). Testing of the equipment will begin immediately and final acceptance will be reserved until completion of these tests.

4. Notification of final acceptance will be made in the final Contract Inspection Report.
