2 June 1966

**MEMORANDUM FOR:** Chief, Procurement Division, Office of Logistics

**SUBJECT:** Cancellation of Contract

25X

1. After a thorough re-evaluation of our projects, it has been determined that we no longer have a requirement for the subject task, The Spatial Frequency Analyzer Study. Since essentially no work has been accomplished under the task, a cancellation of the project at this time should not cause too many difficulties.

2. The project was contracted for at a level of  but due to the problems encountered on Task #3 (The Image Perceptibility Study), we have re-evaluated the proposal and our requirement. The probability that the end product will be of value to us is now very low. We therefore feel it would be in the best interests of the Government to cancel the project.
