STAT

23 March 1966

U. S. Government  
Washington, D.C.

Attention: Contracting Officer

Subject: Task Order No. 03(100,762)65R

- Reference: a) Program Review Meeting of 8 February 1966
- b)  Ltr. dated 4 January 1966
- c)  Ltr. dated 15 February 1966

Gentlemen:

Contractual change order letters are hereby requested to document verbal instructions by the Government and action taken by  under subject Task Order  for the following items:

STAT

1. To refrain from the use of specially hired photo-interpreter consultants to evaluate the processing technique developments - Reference a) forwarded to the Government Technical Representative in  letter dated 22 February 1966.
2. To delete from the program plan the task of investigating the feasibility of applying modulated light techniques to rear projection viewing - Reference a) and b) above.
3. To purchase the dichroic mirror and high voltage power supply requested in Reference c).

An early reply will be appreciated.

Very truly yours,

Contract Representative
