MEMORANDUM FOR: Assistant for Technical Development, NPIC

ATTENTION:

[Redacted]

SUBJECT: Requested Delay in Reply to Proposal

REFERENCE: Memorandum NPIC/TDS/D/6-1738 Dated 23 December 1966

1. Your proposal for corrective optics to be fitted to the Zoom 70 microstereoscope has been received. In order to provide the Technical Development Staff with an accurate evaluation of the proposal, it is requested that there be an extension of the due date for our reply. Since this proposal affects a large number of photointerpreters, responses on an individual basis is required to determine whether there be a limited or overall requirement for the adapters.

2. A reply will be forwarded at our earliest opportunity. It is hoped that this necessary delay in response will not adversely affect pursuit of this contract.
