Contracting Officer

Gentlemen:

STAT

In accordance with the Subcontracts clause of Contract No. [redacted] we are enclosing for ratification our Purchase Order No. 4225 covering the services of a [redacted] programmer analyst for eleven hours.

STAT

STAT

His services were required in the preparation of a program for the analysis of data derived from an experimental study conducted under the contract. Originally, we had also intended to use [redacted] 435 computer hook-up; however, in the interim, we decided to contract with GE directly for the leasing of computer time and expect our own installation shortly.

We did not request prior approval for the use of these services as we were not certain as to the amount of time that would be involved.

We would appreciate it if you would indicate your approval on the pink receiving copy; the green numerical copy may be retained for your files.

Thank you for your cooperation.

Sincerely yours,
