**TO :** Assistant for Plans and Development      **FROM:** Chief, Collateral Support Division

**ATTN:**

25X1

Division personnel met with DIA personnel and [redacted] who presented several new ideas in copy camera development. Inasmuch as the Division is interested in such a development, and although this equipment does not appear to be the ultimate but more so an interim step, it is requested that the Plans and Development Staff make the necessary arrangements to borrow the cameras, processor and light table from [redacted] for trial and experimentation in the Division.
