TO : NPIC/PRES

FROM:

OL/PD/954

ATTN:

Subj:

1. The subject Contract expired on 31 August 1966. Under separate cover, eight(8) copies of the Final Technical Report have been transmitted. This Office requests that a Final Inspection Report be transmitted at your earliest convenience.
2. Paragraph 3 of the attached Contractor letter requests that Deliverable Item No. 3 - Breadboard Model - be deleted. If you concur in the Contractor's request, so state.
3. If you can provide this Office with any comments as to the cost effect of deleting Item 3, it will be appreciated.
4. Attached also, please find copies of Progress Reports 3 and 4.

REPLY	DATE
	26 September 1966

1. Final Inspection Report will be transmitted as soon as the Contractors' Final Technical Report has been evaluated.
2. Residual equipment should be retained temporarily by the Contractor for possible use as GFE in the event that a follow-on contract is desired. If there is no follow-on contract a decision will have to be made at that time as to disposition of the residual equipment.
3. Estimated cost of items purchased by the Contractor for use in the laboratory test configuration is [Redacted]
4. Appreciate receiving copies of Progress Reports 3 and 4.
