The following patent application describes an invention that has been reduced to practice by the [redacted] with Company funds. We therefore request that it be excluded from the patent clauses of any agreement resulting from this proposal.

STAT

<u>Docket</u>	<u>Inventors</u>	<u>Title</u>	<u>Filed</u>
14D-2632	[redacted]	Information Recording	23 December 1962 Ser. No. 247853

We are providing the above information to indicate that the [redacted] has performed work in this area and to record specific developments which have been completed prior to the granting of any contract on this proposal.

Three quarterly reports covering progress of the work will be submitted. In addition, a detailed final report will be furnished.

We estimate that we can complete the work covered by this program within twelve (12) months after receipt of contract authorization and issue the final report within two (2) additional months thereafter.

Sincerely,

[redacted signature box]
