1. Mr. Parangosky indicated that OSA was not actively involved in Project NICE GIRL, that OSA was taking direction from DDS&T on the degree of participation, and that this direction was currently to stay out of the exercise as much as possible in the interest of not prejudicing the conclusions but at the same time to be nice to people involved in the project who requested help. Within these guidelines, Mr. Parangosky indicated his willingness to provide assistance to NPIC.

2. He also noted that OSA has no record of Mr. Duckett responding to the Hornig letter for Mr. Helms.
