MEMORANDUM FOR: Executive Director, NPIC
THROUGH : Chief, Support Staff, NPIC
SUBJECT : Request for Top Secret, T, KH, and SI Security Clearances

25X1 1. It is requested that [redacted] be granted Top Secret, T, KH, and SI clearances.

25X1 2. [redacted] is an employee of the [redacted] and an NPIC contractor for research in Human Factors. [redacted] is in charge of one of the more complex tasks of this research; namely, the "Interpreter/Machine Interface" task. For this task [redacted] will perform various human factors studies relating to the design of equipment under the NPIC Automatic Target Recognition Program, the Automatic Stereo Scanner, the High Precision Stereo Comparator, the Information Handling Program, and the [redacted] Lighting Study. To perform these studies satisfactorily, Mr. [redacted] will require access to documents which relate the quality, quantity, and methods of collection of reconnaissance materials handled by NPIC; and he will require knowledge of how any equipment (developed under the referenced programs) would be used at NPIC.

25X1 3. It is requested that these clearances be processed on a priority basis, if possible.
