RED	<u>1</u>		<p>STATINTL 6/11/70</p> <p>Attn [redacted] STATINTL</p> <p>The case of ACDA continuing to fizzle-back on our [redacted] contract was discussed at TSSG staff meeting 6/11/70. On the basis of the attached [redacted] note to [redacted] response, plus [redacted] lack of objections, it was agreed that I should call [redacted] Off. of Justice, and tell him to advise [redacted] that we would have no objection. [redacted] will also tell [redacted] that we may not have a new contract in effect on 1 July. [redacted] is to touch base with you on this and any other sticky points. [redacted] I called [redacted] per above today.</p>

MEMORANDUM FOR: JH *For* For Approval

John:

Last year ACDA requested that we attach a rider to a service type contract we had with [redacted] to provide ACDA with PI support. They transferred [redacted] to the Agency for this purpose. A [redacted] ACDA, has contacted the Agency's Office of Finance and requested that a similar arrangement be made in FY 1971, i.e., they wish to transfer an additional [redacted]

In discussing this contract with [redacted] I learn that ACDA is utilizing the [redacted] cleared PI's at [redacted] to do a number of small PI jobs. For instance, the [redacted] PI's analyzed ~~from~~ photo coverage, the movement of chemical gases in the U.S. to see what indicators, if anything,

be learned for future monitoring purposes.

They have also done some analysis of what types of targets ACDA should include under a SALT monitoring agreement.

STATINTL The major benefit of this arrangement to NPIC is that it takes pressure off the Center to perform these PI chores. The cost is very little to us - basically administrative - and I see no reason why we should not continue it. If you approve, I will tell [redacted] to notify the Office of Finance that we are in favor of continuing this arrangement as a matter of convenience to ACDA.

STATINTL Is this something that you would want to post [redacted] on?
