MEMORANDUM FOR: Chief, DDI, Automation Staff

SUBJECT : [redacted] Proposal", [redacted] 25X1

.25X1

Attached are a pair of [redacted] proposals on [redacted]. Insofar 25X1
as I am concerned, PIC interest at this time is certainly questionable. 25X1
I believe you were at the same briefing attended by a number of our
people when the subject was discussed and undoubtedly are familiar
with the principles involved et al. Perhaps TSD or OCR might have an
interest. I will leave this to your discretion and relay if you are
so inclined.
