MEMORANDUM FOR: Director of Security

ATTENTION : Chief, Clearance Branch, PSD

SUBJECT : Request for Waiver of HR 10-3b (1) (d)

1. This memorandum submits, in paragraph 3, a request for your approval.

2. The National Photographic Interpretation Center (NPIC) has recently reviewed the employment application of a [redacted] who is a graduate in physics from Brooklyn College, has been recommended for one of our photogrammetrist vacancies. He has had good academic preparation; expresses sincere interest in working for the Agency; and, most importantly, he has scored well on the Agency's professional applicant test. The officers of NPIC who reviewed his qualifications believe that he has considerable potential for employment as a photogrammetrist. Once trained, they envision him as being responsible for performing photogrammetric analysis of photographic systems; developing techniques, procedures, and mathematical equations for extraction of those parameters required to perform mensuration on photography; and extracting and determining precise measurements from photographic imagery.

3. During the review of [redacted] application, it was noted that his grandmother is a citizen of Italy. Although she is a resident of the United States, her Italian citizenship requires a waiver to the provisions of HR 10-3b (1) (d) be granted in order to permit the employment of [redacted]. In view of [redacted] fine qualifications and the need for photogrammetrists in NPIC, it is recommended that such a waiver be approved provided that necessary security reviews are favorable.
