50X1

Col. Eckert asked if [] did not want the list of Joint Projects from Requirements Staff to be released from the Center.

[] said if they are properly controlled he cannot see any reason why they cannot be released.

50X1

Col. Susong asked if early release of JN 19-62 can be made if it is stamped "working copy".

[] said that when a paper leaves the building it should be properly controlled and thus should not go out as "working paper".

50X1

Mr. Tate said the Air Force has 5 copies of this project which they would like to release.

[] asked that a control number be assigned before release.

50X1

Mr. Stolle asked if the people to make the briefing board selection will be notified by phone on Sunday.

[] said we will try to set a specific time to call in case the selection is made that evening. He will work out something with the Coordinator on this.

50X1

[] then said that anyone who wants to look at the overlays on 9040 may do so.

50X1

[] said he will call a special meeting before Friday to discuss selection of the briefing boards.
