13. [REDACTED] LEGISLATION Talked to Jim Oliver, OMB on the two deputies legislation. We knocked around various possible changes to the third and fourth sentences to the draft bill. We finally decided on deleting the fourth sentence. Oliver also asked me to forward to him the alternative language we had developed for Title VIII of the FY 1977 Department of Defense Appropriations bill.

14. [REDACTED] LEGISLATION Called Bill Raiford, Congressional Research Service, Library of Congress. Raiford has been directed, at the request of the Senate Select Committee on Intelligence, to prepare a legislative history of S. Res. 400, and he asked if I had written one. I told him no, but that I had collected all relevant materials and had them gathered into good order. I offered to let him review my files and to discuss the matter if he liked. He said he would try to do so within the next week, and that he would ask the Select Committee if they would object to his providing me a copy of his prepared legislative history.

15. [REDACTED] LIAISON Received a call from John Childers, Minority Counsel, Senate Government Operations Committee. Childers said he was traveling to Italy and Switzerland in August with Senator Abraham Ribicoff (D., Conn.), Chairman of the Committee, and would be visiting international food organizations. I recently provided Childers copies of two Agency studies on world food and climate problems, and he asked if there were any other publications he could see on the subject. I agreed to find out and let him know if there were additional reports.

9. [REDACTED] LEGISLATION Met with Jim Davidson, Majority staff, Subcommittee on Intergovernmental Relations, Senate Government Operations Committee, and Doug Barrett, on the Subcommittee Minority staff, to discuss specific remedial language for S. 2925, Senator Edmund S. Muskie's (D., Maine) zero-base budget review bill. I was informed that Committee action on the bill which had been scheduled for 21 July had been postponed to 3 August. Both Messrs. Davidson and Barrett and myself agreed to consider further with other relevant offices the language we had worked out before recontacting each other on this matter.

10. [REDACTED] LIAISON I met with Bill Miller, Staff Director, Senate Select Committee on Intelligence, this morning to give him a rundown on the Socialist Workers Party case. Miller mentioned that Senator Frank Church's (D., Idaho) Select Committee had gone into this matter at some length, but had limited itself almost exclusively to the FBI aspects of it. I briefed him on the activities with which we were associated, using DDO papers for background. Miller said the Senate Select Committee on Intelligence would probably want to talk about this when the Director comes up to brief them on covert action programs, which is tentatively set for 28 July.

25X

11. [REDACTED] ADMINISTRATIVE Called Phil Buchen, Counsel to the President, and told him that the Director had signed our Report to the President and I asked Buchen whether he would like to see that report. Buchen said that he would, but wanted it to go through normal channels. I told him that we would send it over to the White House through Sam Hoskinson, NSC, with a note that he would like to see it.

12. [REDACTED] LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, and told him that the Director's calendar looks bad for the briefing on 28 July. Miller said that he would see if they could schedule it on the 29th.

25X

Miller also asked for the affidavit that the Director submitted to the court in the Socialist Workers Party case. I told him I thought we could provide it.

17. [REDACTED] LIAISON Received a call from Katherine Leroy, House Judiciary Subcommittee on Civil & Constitutional Rights staff. The Subcommittee has oversight jurisdiction over the FBI and the FBI will testify on 29 July to present its problems in responding to FOIA requests. The Subcommittee is requesting the FOI annual reports to Congress of sensitive agencies, including CIA, to determine if they are having similar problems. I confirmed strongly with Ms. Leroy that we are having problems. She added that the Agency could submit additional comments with its report should we so desire.

18. [REDACTED] EMPLOYMENT Called Kathy Casey, in the office of Senator Charles Mathias (R., Md.), and advised her that the Agency is contacting the two former Agency employees seeking reemployment, who are of interest to Senator Mathias. The two are being given definite job offers. I said I will advise of their decision and will send a confirming letter.

25X

19. [REDACTED] LIAISON Fred Asselin, on the Majority staff of the Senate Government Operations Committee, called to confirm a preliminary meeting with Agency representatives to discuss the Committee's investigation of the security of the Agency's computer systems. A meeting was arranged for 1000 hours, 26 July in Room 101 Russell building. [REDACTED] OS, [REDACTED] OJCS, [REDACTED] Audit Staff, and I will attend.

20. [REDACTED] LIAISON Mike Uhlmann, Justice Department, called and requested whether an Agency representative familiar with the background of the [REDACTED] could sit in on an informal meeting with Representative Don Edwards (D., Calif.) to discuss the private bill to compensate the family. Also present would be Uhlmann and Ken Lazarus, White House staff. The meeting was suggested so those supporting the bill in any floor discussion could state they had looked into the case since no formal hearings will be held. I told him this should present no problems and that Sayre Stevens, DDI, who testified on the case before the Senate Judiciary Subcommittee on Administrative Practice and Procedure, would most likely be our representative. The meeting will probably be set up sometime next week and he will let me know.

10. (Internal Use Only - LLM) BRIEFING Bob Mantel, Senate Foreign Relations Committee staff, called to request a briefing for himself, Ruddy Rousseau, and Constance Freeman, also of the Committee staff, in connection with their planned trip to the Subcontinent which would put them in Bangladesh on 7 August. The team will be studying foreign aid and their particular focus will be on Pakistan. Mantel himself is interested in the Indian Ocean and the Soviet/Indian relationship. Mantel was most complimentary of the pre-trip briefing they had received from the Agency on a previous trip. [REDACTED] OCI, has been advised. STA

11. (Internal Use Only - LLM) LIAISON Called Richard Perle, Permanent Subcommittee on Investigations, Senate Government Operations Committee staff, to advise him that the House Select Committee employee who had copied the memo mentioning Senator Henry Jackson (D., Wash.) was scheduled to testify before the House Committee on Standards of Official Conduct this week. Perle was very appreciative of the alert.

12. [REDACTED] (Unclassified - DFM) INTELLIGENCE BRIEFING Accompanied OER, to a meeting with Senator Jennings Randolph (D., W. Va.) on the transfer of technology from the United States to the Soviet Union. The briefing was in response to a written inquiry by the Senator on this subject. Randolph had also written the Departments of State and Defense, which had responded on the matter of U.S. policy. There are no specific follow-up items, although Senator Randolph did state his intention to turn to the Agency more frequently in the future. STA

13. (Unclassified - DFM) ADMINISTRATIVE - DELIVERIES Delivered to the office of Representative Edward Madigan (R., Ill.) for Sam Vinson, Research Assistant, an outline on the nature of climate, current state of the science, and prospects for the future.

14. (Unclassified - DFM) LIAISON Received a call from Ted Ralston, on the staff of the Senate Select Committee on Intelligence. Ralston asked for page-size copies of a chart the Agency had prepared for the Committee in June. Later in the day I delivered copies to Ralston.

27. [REDACTED] LIAISON Bill Broyderick, in the office of Representative Les Aspin (D., Wisc.), called. He said he is trying to get a sense, in a general kind of way, of how we go about long term estimating of Soviet naval force levels. He said he had talked with DIA and thought it would be helpful to talk to someone from CIA over the phone, off the record. I said I would have someone call him.

29. [REDACTED] LIAISON Attended a meeting in the office of Fred Asselin, staff member of the Senate Government Operations Committee, to discuss the Committee's investigation of the security of the Agency's computer systems. Also in attendance were [REDACTED] OS; [REDACTED] OJCS; and [REDACTED] Audit Staff/DDO. We discussed the Agency's computer security programs in general. Asselin requested that we submit an unclassified draft report to the Committee setting forth the history of the Agency's computer systems and how the security programs evolved. This will assist Asselin in determining the scope of their inquiries to the Agency. Asselin felt certain that an Agency witness would not be necessary, however, this would have to be left up to the members of the Committee. Hearings on the subject are planned for early September. The draft will be prepared by [REDACTED] in coordination with other members of the Agency group.

11. (Unclassified - RLB) LEGISLATION Spoke with George Berdes, on the staff of the Subcommittee on International Security and Scientific Affairs, House International Relations Committee, concerning H. R. 4438, Representative Thomas E. Morgan's (D., Pa.) bill to provide for congressional review of certain "international executive agreements." Mr. Berdes informed me that Subcommittee hearings on the bill were now complete and that the Subcommittee would meet to mark up the bill sometime later this session. Mr. Berdes also volunteered that Representative Clement J. Zablocki (D., Wis.) had been made aware that the bill, as drafted, would present serious problems for the Agency and assured me that the Congressman was sensitive to these concerns.

12. (Unclassified - GLC) LEGISLATION Bill Hogan, House Armed Services Committee staff, called and said that the CIARDS is scheduled to be taken up by the House Rules Committee on Monday, 2 August. He said he might like to talk to us on Friday concerning the funding.

13. (Unclassified - GLC) BRIEFING Hal Ford, Senate Select Committee on Intelligence staff, called and said that Senators Adlai Stevenson (D., Ill.) and Walter Huddleston (D., Ky.) are going to travel to Alaska during the upcoming recess and would like to know if there is anything in Alaska which they should be briefed on. I told him I didn't think there was anything of interest in Alaska, but I would check. Ford said he was also contacting Tom Latimer, DOD, for any information. Ford asked that I call Phylliss Gustaffson, Secretary to Senator Stevenson, and make the arrangements.

14. (Unclassified - GLC) BRIEFING Accompanied [redacted] 25X

She was very appreciative of the alert.
