12. (Unclassified - THW) INTELLIGENCE BRIEFING I called Marian Czarnecki, Chief of Staff, House International Relations Committee, to advise him that Representative Stephen J. Solarz (D., N.Y.) had asked for a briefing on Mozambique, Rhodesia, Angola, South Africa, Zambia, and possibly Zaire, for himself and Representative Michael Harrington (D., Mass.). Czarnecki had no problem with such a briefing.

I also mentioned to him the questions posed to Ambassador Gunther Dean by the Special Subcommittee on Investigations regarding [REDACTED] Czarnecki said that Chairman Lee H. Hamilton (D., Ind.) had been asked by Chairman Thomas E. Morgan (D., Pa.), House International Relations Committee, to close out the [REDACTED] issue and that these questions resulted from that request and suggested that we answer them through the Department of State unless we had major problems with them.

13. (Unclassified - THW) LIAISON I called Rick Gilmore, on the staff of the Subcommittee on Multinational Corporations, Senate Foreign Relations Committee, to advise him that since the hearing at which Director Bush was to be asked to testify was an open session there was not much we could contribute and that Director Bush was reluctant therefore to appear. I suggested that we would be happy to provide the necessary briefers for an executive session briefing. Gilmore said that he planned to send the letter of invitation anyway as the matter had come up twice at Subcommittee meetings and he felt the Subcommittee would still want to go on record as requesting Mr. Bush's appearance. As to the date of the hearing, it appears that June 30 is out from the Committee standpoint and the hearing may be postponed until after the July recess.
