X1 11. [REDACTED] LEGISLATION I called the Administrative Practice and Procedure Subcommittee of the Senate Judiciary Committee and ascertained that no action was planned in the near future on S. 1210, a bill which amends the Freedom of Information Act.

X1 12. [REDACTED] LIAISON I called Cliff Hackett, House International Relations Committee staff, to advise him that on 26 May I had left the paper on [REDACTED] with Jack Brady, on the Committee staff, who said that he would notify Representatives Stephen J. Solarz (R., N. Y.) and Leo J. Ryan (D., Calif.) that the paper was available for them to read since Hackett had been out of the office that day. I also told Hackett that we had no objection to his reading the paper.

X1 13. [REDACTED] LIAISON I called Jack Brady, House International Relations Committee staff, and told him that I had reviewed the transcripts of the briefings of the Subcommittee on Oversight and that none of them mentioned the country which Representative Michael Harrington (D., Mass.) was interested in. He indicated that he would refer the matter to Marian Czarnecki, Chief of Staff of the Committee, upon Czarnecki's return 1 June.

X1 14. [REDACTED] LIAISON I called George Kroloff, on the Senate Foreign Relations Committee staff, and told him that we had made a brief check but were unable to determine if we had any information with respect to Algerian communications/computer law without making a complete check which would take considerable work and time. I suggested that he might want to check with the State Department. I also told him that we would be happy to take an informal look at his paper on international communications when he had it ready if he so desired.

X1 15. [REDACTED] LIAISON I delivered to the Administrative Assistant to Senator James B. Allen (D., Ala.) an Agency response to an inquiry by a constituent, [REDACTED] and orally briefed him on some additional background on [REDACTED] who was mentioned in the inquiry. X1

X1 16. [REDACTED] LIAISON I met with Bill Ashworth, Senate Foreign Relations Committee staff, and provided him with information he had requested concerning the Agency's relationship with the design contractor on the [REDACTED] matter, which seemed to satisfy him. He asked about the provision of heavy water to a particular country and its use by that country. After checking with [REDACTED] OCI, I called Ashworth and referred him to ERDA. 25X

X1 17. [REDACTED] LIAISON Spoke with Sue Grau, on the staff of Representative Clarence D. Long (D., Md.). She said a constituent had requested the volume of worldwide shortwave radio stations. I checked with FBIS Liaison and they sent a four-volume book entitled "Broadcasting Stations of the World." I called Sue and told her we would be sending her this package and the constituent could use whatever portion of it he was interested in.

X1 18. [REDACTED] LIAISON At the request of Ms. Tucker, of the office of Representative Barbara Jordan (D., Texas), I sent her a copy of an Agency publication entitled "Indonesia - 1965 The Coup That Backfired."

X1 19. [REDACTED] FOIA Called Doug Mirell, on the staff of Representative Ronald V. Dellums (D., Calif.), concerning his telephonic inquiry to [REDACTED] Office of Security, on behalf of [REDACTED] who raised questions regarding the Agency's response to his FOIA request. I explained that Representative Phillip Burton (D., Calif.), had forwarded a letter from [REDACTED] raising the same questions and we would provide him a copy of our response. Mirell said this should satisfy their interest. 25X

X1 20. [REDACTED] LEGISLATION Called Ed Powers, House Appropriations Committee staff, concerning Committee action today on H. R. 13615, to amend CIARDS. The bill was reported favorably with the higher [REDACTED] figure for FY 1977. I subsequently called Bill Hogan, House Armed Services Committee staff. He will move as quickly as possible to clear the bill for floor action and let me know when it is scheduled.
