7. [REDACTED] LIAISON After checking with the Executive Registry, Mr. Angus Thuermer's office (Assistant to the Director), the Office of Personnel, the Office of Security, the Information and Privacy Staff, and our office records, I called Diana Meyer, on the staff of Representative John F. Seiberling (D., Ohio), and told her that the Agency had no record of receiving a letter from Randy Peton, per her inquiry of 9 January. I told her that she could have Mr. Peton address his inquiry to this office or send the letter that they had received from Mr. Peton to us.

8. [REDACTED] LIAISON Called Bernie Engel, Congressional Relations, State Department, and requested that they not include specific CIA briefings on Angola when they release the list of briefings provided the Hill but instead for CIA briefings include a statement that other briefings have been provided in compliance with Section 662 of the Foreign Assistance Act to six appropriate committees of Congress. Engel agreed.

9. [REDACTED] BRIEFING Called Richard Fryklund, Deputy Assistant Secretary (Legislative Affairs) Department of Defense, to determine if Secretary Rumsfeld planned to appear in open session before the Subcommittee on African Affairs, Senate Foreign Relations Committee, concerning Angola, explaining that Chairman Dick Clark (D., Iowa) had sent a letter to the Director asking him to appear along with Secretary Rumsfeld. Fryklund said that so far they have made no commitment.

Later, I advised Fryklund of the plan for Secretary Kissinger to appear after his return from the Soviet Union and that we would attempt to get agreement that the Director should follow and not precede the Secretary. Fryklund said they would be happy to follow also.

10. (Unclassified - LLM) LEGISLATION Jim Oliver, OMB, called and we discussed the Director's letter to James Lynn, Director, OMB, on our intelligence sources and methods, especially several sections of the draft bill.

[REDACTED] LIAISON Paul Fridenberg, a professor at Tulane University serving a six month stint in the office of Senator Bennett Johnston (D., La.), called for unclassified information on Israeli defense and economic needs and I provided him the names of several publications which would be available from the Library of Congress and he was most appreciative.

X1 12. [REDACTED] LIAISON Called Allison Brenner, Subcommittee on Investigations, House International Relations Committee staff, concerning interest in a staff interview of Mr. Thomas Polgar in connection with the Subcommittee's investigation into the final days of Vietnam. I told her that Mr. Polgar was out of the country but if she could more specifically identify their interest we would be able to provide a substitute. The Subcommittee is planning a hearing on 26 January with Ambassador Graham Martin involving the plans for evacuation, the United States' role and that of the various Federal agencies in the closing days, the planning for the evacuation of American and Vietnamese citizens, inter-Governmental decision making, early evacuation by certain Federal agencies, the general assessment of the last days, and the reasons for holding the Americans there until the end. I told Brenner that I would do what we could and be back in touch.

5X1 13. [REDACTED] BRIEFING Called Kempton Jenkins, Congressional Relations, State Department, to determine if Secretary Kissinger had agreed to appear before the Subcommittee on African Affairs, Senate Foreign Relations Committee, and was informed that in a conversation between Secretary Kissinger, Senator Dick Clark (D., Iowa) and Assistant Secretary for African Affairs, William E. Schaefe, Jr., postponement of the hearing was discussed so that the Secretary could participate.

5X1 14. [REDACTED] LEGISLATION David Allen, Legislative Assistant to Senator Lloyd Bentsen (D., Texas), called and we discussed at some length the absence of laws deterring the publication of names of CIA employees and the legal requirements for such a law. X1 12. [REDACTED] LIAISON Frank Sullivan, Senate Armed Services Committee staff, called requesting an update on Soviet spending and manpower and I explained that we were pulling together a comprehensive paper on dollar/ruble comparisons, that manpower would be a part of it, but it will not be finished until March. I said we recognized that this may not be timely for Committee purposes and we were seeing what we can do to speed it up without sacrificing quality.

X1 13. [REDACTED] LIAISON David Allen, Legislative Assistant to Senator Lloyd Bentsen (D., Texas), called and we further discussed legislation on the publication of the identity of CIA employees.

X1 14. [REDACTED] LIAISON Called Jack Ticer, Senate Armed Services Committee staff, on the timing of Ambassador Bush's confirmation. Ticer said because of the press of other business it looks as though the Senate vote most likely will not occur before the week of 2 February, but they are hopeful it will occur before Congress recesses on 6 February.

X1 15. [REDACTED] LEGISLATION Called Jim Oliver, OMB, and further discussed the points he had raised on the intelligence sources and methods proposal.

X1 16. 5X1 10. [REDACTED] LIAISON Received a call from Ken Geisen, DIA, who informed me that the secret-level photos of Soviet labor camps had been turned over to John Holstein, on the staff of the House International Relations Subcommittee on International Political and Military Affairs, where there was appropriate storage for secret-level materials. I told Geisen that it was not our policy to leave such photos anywhere on Capitol Hill, and he said it was his intention to pick them up today or tomorrow. He also informed me that Fred Smith, Administrative Assistant to Representative Larry McDonald (D., Ga.), did not have a security clearance and that one would not be completed for him until February.

5X1 11. [REDACTED] LEGISLATION [REDACTED] and I met with 25 Vince Morelli, in the office of Representative Jack Kemp (R., N. Y.), to discuss the question of congressional oversight. We relayed our chief concerns regarding oversight, and Morelli, although understanding, responded with some traditional congressional viewpoints.
