DISUM #15, Jan 15, SECRET NO FOREIGN DISSEM.

The South Vietnamese operation to recapture Plei Djerang camp in western Pleiku Province began early on January 14. Government troops, supported by heavy air and artillery strikes, and a diversionary thrust to the south, so far have met little enemy resistance. A helicopter reportedly has landed a 20-man team in the camp.

There was no significant military action in other sections of the country.
