██████████ - stop duping the negatives

= cut time DIA has to 4 days

∴ mission to NPIC = 11 days

duping has saved 2 days

dup pos. here in 7 days from date of mission
neg here in 9 days " "

we will lose 2 days

duping cost ██████████ 25X1A

∴ takes 1/4 of personnel + equipment (NACAP)
to do the job.

7+4 -- we will try it on
a trial basis - (██████████ to 25X1A9a
state this in writing.)

∴ we would run about 2 weeks
behind
