CIA. CR 5A, USSR Railroad Stations and Route Information, May 59 (C)

REMARKS

Kuzino (57-01N 59-27E) is 46 miles west of Sverdlovsk at the junction of the double-track Trans-Siberian Railroad (Route 410)\* and the single-track Lysva-Druzhinino-Berdyaush Railroad (Route 452). The only available photography of Kuzino, taken in [redacted] is hazy and partially cloudy, thus precluding a more detailed photo analysis of this railroad center.

As shown on the accompanying line drawing, the rail facilities at Kuzino include the following:

- Rail yard, 12-15 tracks wide, 3,000 feet long
- Rail yard, eight or nine tracks wide, 3,000 feet long
- Three locomotive or car repair shops, 260 feet by 90 feet, 170 by 85 feet and 160 by 80 feet
- Service rail yard, seven or eight tracks wide and 1,900 feet long, adjacent to the repair shops
- Turning wye, effective length 1,180 feet
- Coal storage yard, 1,500 by 260 feet, served by five or six tracks

\*Route numbers are taken from the document cited above.
