OSI REQUIREMENT NO. HTA/SI/R-36/56: Verify the existence of suspected [redacted] Radar, 25X1A associated with AAA installations near Osipovichi, USSR.

REMARKS:

A 4-gun, probable heavy, AAA position is located in a field immediately west of the city. This installation appears to have an associated fire control radar setup, but obliquity and scale of photography precludes identification. This area also includes two large military installations located in the city proper, and military training areas located SW, N and SE of the city.
