PREFACE

The tables in this volume are published to implement the decision of the USIB as set forth by COMOR in TCS 11976-62, dated 26 April 1962. This decision provides for the downgrading of TALENT photography of Cuba flown prior to 1 May 1961 to SECRET/NOFORN (Downgrading Prohibited). Procedures to be followed in using this photography in a downgraded form are contained in the above-referenced document and in TCS 8464-60, dated 28 December 1960. The tables are arranged by mission. They present the original TALENT frame number followed by the acquisition (IBID) number assigned to that frame. Boxes in the upper-lefthand corner of each page give the mission number and date, and the camera for the frames listed on that page.

There is a disruption in the sequence of IBID numbers for Mission 3033 frames. This is not an error in the book. The numbers given herein are valid.
