The Zaozernyy SA-5 Complex is located 9.5 nautical miles NNE of Zaozernyy. The complex, in an early stage of construction, consists of 3 launch sites, designated A, B, and C, a missile-handling facility, and a support area. There is no discernible security fencing and no discernible construction activity for a tracking/guidance facility.

The launch area main road, launch site access roads, and launch site service roads are clearly defined. The launch area main road includes a loop road adjacent to the launch site access road serving Launch Site C. Construction has begun at Launch Positions 1, 2, 4, and 6 at Launch Site A (Launch Position 5 is obscured by tree shadow); Launch Positions 1, 2, 5, and 6 at Launch Site B; and grading is discernible at Launch Positions 1, 2, 5, and 6 at Launch Site C. Grading is discernible at each of the launch site control centers.

The missile-handling facility consists of 2 service roads and a road spur, which leads to a ground-scarred area. A graded area is located within the missile-handling facility, on the northern edge of the launch area main road.

The support area consists of at least 5 buildings; construction status is undetermined.

Orientation of the complex is [REDACTED] ground elevation is approximately 1,150 feet above mean sea level.
