[REDACTED]

Aircraft Plant "Krasny Luchi" 272 (59-59N 30-19E) is located in north-central Leningrad, on the northern bank of the Bolshaya Nevka River. This plant, a producer of aircraft and engine parts, occupies an area approximately 1,300 feet by 1,100 feet and contains 371,275 square feet of floor space. There are no rail facilities, but road and river transportation serve the plant. A comparison of good quality [REDACTED] photography with that of [REDACTED] shows no major changes in this plant.

25X1D

25X1D

Major components of the aircraft plant are identified and described in the accompanying line drawing and table of structures.
