REMARKS

25X1D

Further careful examination of [REDACTED] photography has resulted in the identification and location of a SAM support facility near Dolon Airfield. This facility is situated in relatively flat terrain in a predominantly agricultural area. No security fencing or guard towers are apparent. Most of the service roads, which are probably being leveled and graded, are snow covered.

25X1A

REFERENCE POINT

Dolon Airfield, [REDACTED] 50-33-35N 79-13-35E.

LOCATION

3.5 nm north of reference point.

FUNCTION

This support facility will serve SAM sites deployed for the defense of Dolon Airfield complex.

FACILITY STATUS

Mid-stage of construction.

VEHICLES AND EQUIPMENT

None visible.

OVERHEAD POWER AND/OR COMMUNICATIONS LINE

A probable overhead wire line leads to the facility.
