 - (c) CSDB-3/660,585, 16 April 1964
 - (d) Memorandum M/EB 67/64, 5 February 1964

1. This memorandum is in response to your requirement dated 27 April 1964 requesting an analysis of photography covering the unidentified facility at 22-58-32N 82-28-59W near Lombello, Cuba.

2. After correlating the photography with Report it was concluded that the installation observed by the observer was not the unidentified facility near Lombillo. The description closely fits that of the International Broadcasting Station near Bauta at 22-57-00N 82-32-40W.

Since M/EB 67-64, 5 February 1964, the tower in the center of the installation has been completed, three buildings have been constructed, and the two ring roads have been paved. There is still no evidence of security. See line drawing and map overlay for further detail and dimensions.

4. This project is considered to be c
