Admiral William F. Rayborn, Jr.
Director
Central Intelligence Agency
Washington, D. C.

Dear Admiral Rayborn:

The House Committee on Government Operations is again charged with the responsibility of compiling a Federal Property Inventory Report covering real and personal property assets of the United States Government on a world-wide basis, as of June 30, 1966. The Report will be published in December of this year.

You and your associates have been of great assistance to the Committee during the past few years in compiling data covering assets under the jurisdiction of the Central Intelligence Agency. I am especially pleased that assets of your agency have been reported previously in a manner, mutually agreed upon, which represented acquisition cost value without positive identification in each instance.

I shall greatly appreciate your furnishing the Committee again, in a manner similar to the one employed in the past, figures covering your real and personal property assets as of June 30, 1966. These data are requested no later than November 1, 1966, and they will be reflected in our next Report.

30 Jan 68

Please be assured of my sincere appreciation of the assistance rendered by your Agency in the past, and I look forward to your continued interest and cooperation in our undertaking.

Sincerely yours,

WILLIAM L. DAWSON,
Chairman.
