MEMORANDUM FOR: Director of Research & Development

SUBJECT : Participation of C/OTD/ORD in 1974
25X1A6a [redacted] Seminars

25X1A9a

1. During the last two weeks of March 1974, a series of seminars was conducted by our D&E personnel for selected representatives of each of the overseas Divisions of the DDO. The Division attendees for each of these seminars were officers experienced in the conduct of technical operations in the field or directly responsible for their support at Headquarters. We asked [redacted] C/OTD/ORD, to participate in each of these sessions to highlight the contributions which ORD has made to DDO technical operations and to emphasize the high degree of cooperation between our Offices in these endeavors.

2. We believe that [redacted] through his excellent presentations to each of these DDO Divisions, very successfully demonstrated the impact of many ORD projects on the ever-improving technical equipment and capabilities which are being made available to the DDO. This, we know, had a very beneficial effect on the attendees and we wish to express our appreciation to [redacted] for his very substantive contribution to the success of this year's [redacted] conferences.
