

19 November 1952

SUBJECT: Department of Defense Directive, S 6000.1

Meeting was held this date between the Acting Chief of FE Division/ID/P and his support staff and the ADCS/MO and C/MS. The identities of all members present is being recorded in the SSD daily log. Presentation of the Department of Defense Directive was made and a general discussion was held regarding implications and implementation. The Directive was received most favorably. [REDACTED] Chief of FE Administration was appointed as the FE representative to coordinate requirements and [REDACTED] ADCS/MO, was appointed to act in behalf of the Medical Office. Both individuals will in their respective positions develop medical requirements for Directive implementation on behalf of FE and will present such requirements to the Medical Office on or before 1 December 1952.
