Acting Personnel Director

13 December 1951

Chief, Medical Staff

Contract Terms, Request for Adjustment

1. Present terms for Medical Officers under contract to CIA for overseas assignment provide for an annual salary of \$7600.00 based on the salary of GS-13. Since the base salary of GS-13 has been increased to \$8360.00, it is requested that the present contracts in existence be adjusted to this amount.

2. Currently, some Medical Officers are assigned as staff agents overseas and enjoy the increase since they are slotted as GS-13. Other Medical Officers are transferred to overseas assignments under the original terms of the contract resulting in an inequity of salary for an equity of service to the Agency.
