6 June 1952

MEMORANDUM FOR: C/MS

SUBJECT: Recommendations of the Personnel Policy Board

1. On 5 June 1952 the Personnel Policy Board held a meeting.

25X1A9a

Present were [redacted]
The following summary and recommendations are submitted for your comments or action as indicated.

2. The revision of [redacted] flow charts for the development of career training was not presented. This phase of the program was deferred until [redacted] revision is prepared.

25X1A9a

3. It is recommended that:

a. The field technician slots proposed by DC/MS be presented to DD/P.

b. All [redacted] station slots be considered headquarters slots for purposes of rotation.

c. All personnel be frozen at their present grades until such time as rotation is accomplished. In the event that the new field grades are approved, headquarters grades could be raised to an equivalent level.

d. Promotion above a GS-9 will require overseas duty as a prerequisite. [redacted] representing ASD, cast a dissenting vote in this case.

e. In specific cases where hardships or previous commitments enter into promotion, the individual may appear before the Personnel Policy Board.
