

APPENDIX "B"FURTHER FACTS BEARING ON THE PROBLEM

1. In the past twenty-four months, pursuant to authority in its basic directive (J.I.C. 76/16/D), the Joint Intelligence Study Publishing Board has published encyclopedic joint topographical studies on the following areas:

- JANIS 38 - Bulgaria
- JANIS 70 - Indo China
- JANIS 72 - North China
- JANIS 73 - Southeastern Siberia
- JANIS 74 - Manchuria
- JANIS 75 - Korea
- JANIS 76 - China, East Coast
- JANIS 77 - China, South Coast
- JANIS 78 - Kamchatka
- JANIS 79 - Sakhalin
- JANIS 80 - Kuriles
- JANIS 81 - Hokkaido
- JANIS 84 - Kyushu, Shikoku, Southwestern Honshu
- JANIS 85 - Central and No. Honshu
- JANIS 87 - Formosa
- JANIS 102- Marianas
- JANIS 103- Palaus
- JANIS 104- Carolines
- JANIS 150- Borneo
- JANIS 153- Java-Timor Area
- JANIS 154- Philippines (Except Mindanao)
- JANIS 155- Celebes Sea Area

2. Typically, the above JANIS studies consist of the following chapters and subdivisions:

- Chapter I - Brief
- Chapter II - Military Geography
- Chapter III - Oceanography
- Chapter IV - Coasts and Landing Beaches
- Chapter V - Climate and Weather
- Chapter VI - Port Facilities
- Chapter VII - Transportation and Telecommunications
- Chapter VIII - Cities and Towns
- Chapter IX - Resources and Trade
- Chapter X - People and Government
- Chapter XI - Health and Sanitation
- Chapter XII - Defenses
- Chapter XIII - Naval Facilities
- Chapter XIV - Air Facilities
- Chapter XV - Gazetteer and Map Appraisal
- Supplement - Plans Pouch (maps)

3. Past experience indicates that the above headings should be essentially retained, but details under some of the headings may be reduced inasmuch as primarily strategic rather than operational use of JANIS is indicated for the near future. Thus, for example, details of beach descriptions or of individual bridges generally can be omitted or greatly abbreviated.
