JANIS MEMORANDUM #34

6 June 1945

MEMORANDUM FOR: Contributors to JANIS.

Subject: Place Names and Locations -
JANIS 72 Blue-line Map.

1. The place names shown on blue-line map for JANIS 72 are intended to give only the approved spelling of names. The locations are approximate.
2. It will be necessary for each contributor to carefully spot the location of all cities or towns necessary for use in his chapter.
3. The place name "Iz'u-hsien" (36° 21' N, 114° 20' E) now appearing on blue-line map should be corrected to read "Tz'u-hsien."

FOR THE JOINT INTELLIGENCE STUDY PUBLISHING BOARD:

69-page pamphlet with chapter on government, diplomatic annals,
administration of justice, the military system, state finance,
economic and industrial conditions, foreign trade, communication
and transportation, city construction works and education. Well
written, though obviously pro-Japanese. Statistics for 1934
and 1936. Tokyo, Japanese Council, Inst. of Pacific Relations.
(280.184/K13).
8. _____
1936. The South Manchuria Railway Company's Part in the Economic
Development of Manchoukuo.
31-page pamphlet describing the South Manchuria Railway and
its related enterprises, with statistics on the entire State
Railway system of Manchoukuo. Obviously pro-Japanese. Tokyo,
Japanese Council, Inst. of Pacific Relations. (280.184/K135).
9. Kinney, Henry W.
Dec. 1930. Manchuria Today.
100-page book on the principal economic features of Manchuria,
with special reference to the activities of the South Manchuria
Railway Co. Highly colored Japanese propaganda. Written about
a year before the creation of the independent state of Manchoukuo
Statistics out-of-date. About 90 small good photographs and
map of the railway. Dairen. (280.184/K62M).
10. Manchoukuo, Department of Foreign Affairs.
1933. Manchoukuo: Hand Book of Information.
Official 160-page pamphlet on all features of Manchoukuo, with
statistics for 1932 or early 1933. Japanese inspired, somewhat
out-of-date. About 30 small, poor photographs. Hsinking.
(280.184/M313).
11. _____
1936. General Survey of Conditions in Manchoukuo.
Official 59-page pamphlet, with statistics through 1935 or early
1936 and with chapters on government, judiciary, culture and
education, finance, currency and banking, economic and industrial
activities, communications and transportation, city construction
and transportation. Hsinking.
(280.184/M312/1936).

Approved For Release 2003/02/27 : CIA-RDP79-01147A000300020009-5

12. Manchoukuo, Department of Finance and Commerce.
1938. Annual Returns of the Foreign Trade of Manchoukuo. Pts. I and II
Official publication giving detailed statistics through 1938
on imports and exports classified as to commodities and countries
of origin or destination. (269.1/M312).
13. Manchurian Agricultural Products Institute.
1938. Agricultural Products in Manchoukuo.
32-page pamphlet with descriptions of 22 agricultural products,
and statistical tables of production through 1937. Twelve small
good photographs. Hsinking. (281.184/M31).
14. Manchuria Daily News (Christmas Number).
1939 Manchuria: A Monthly Review.
This 100-page review, while highly colored by Japanese
propaganda, contains statistics for 1938 or 1939 on many
activities in Manchoukuo, and numerous illustrations, par-
ticularly of buildings of industrial organizations. Hsinking.
(280.8/M315).
15. Orchard, D. J.
Jan.1940. Manchuria—a Pattern of the New Order in East Asia.
Brief, 4-page article on the economic situation in Manchoukuo
at the end of 1939. Asia, Vol. 40, No. 1.
16. Schumpeter, Elizabeth B., Editor.
1940. The Industrialization of Japan and Manchoukuo, 1930-1940.
a 1000-page collection of scholarly articles by 4 contributors
covering all phases of the industrial situation, with separate
treatment of Manchoukuo. Statistics generally for 1935 to
1939. New York. (280.183/Sch8.).
17. Shaw, Norman.
1936. The Forests of Manchuria. Oxford
18. South Manchuria Railway Co.
1936. Answering Questions on Manchuria.
84-page pamphlet giving information in the form of questions
and answers on such subjects as political geography, resources,
industries, transportation and communications, finance, foreign
trade, population, sanitation, education, etc. Pro-Japanese.
Statistics for 1934 or 1935. Small map showing location of
mineral resources. About 40 small photographs. Tokyo.
(280.184/So8A).
19. Contemporary Manchuria: A Quarterly Review.
1940. Vol.3-4, No.2. Jan. 1939-Apr. 1940. This review, while pro-
Japanese, contains many well-written articles on various features
of Manchoukuo and statistics for 1937 or later. Numerous small,
good photographs. Dairen. (280.8/C767).
20. Stewart, John R.
1936. Manchuria Since 1931.
Well written 53-page pamphlet covering practically all features
of Manchoukuo, with particular emphasis on Japanese activities
and interests. Statistics for 1934 or 1935. New York. Inst. of
Pacific Relations. (280.184/St4).
21. Woeikoff (Voeikov), A.D.
1941. What can the Manchurian Flora as Well as the Flora of
Neighboring Countries Give to Gardens of Manchuria Itself and
Other Countries with Cold Climates.
130-page pamphlet giving full description of flora of Manchuria.
Text is scholarly but the English is often weird, though under-
standable. 48 small, rather poor photographs. Harbin.
(360.14/V85).

LIBRARY OF THE U. S. DEPARTMENT OF COMMERCE.

1. Chu Hsiao.
 1929. Manchuria: A Statistical Survey of its Resources, Industries, Trade, Railways, and Immigration.
 52-page pamphlet with many statistical tables for 1927 and maps showing railways. Contains much interesting information, though somewhat out-of-date. Tiensin. (HC/428/M3H8).

 TRANSPORTATION UNIT, BUREAU OF FOREIGN AND DOMESTIC COMMERCE, U. S.
 DEPARTMENT OF COMMERCE.

1. Allison, J. M., U. S. Consul, Dairen, Manchuria.
 22 July 1936. Shipping Conditions at the Port of Dairen.
 Report No. 76486.
 28-page report describing port facilities and methods of handling cargo at Dairen. Enclosures to this report include 5 small pamphlets giving detailed harbor regulations, wharf charges, and port facilities with about 25 small photographs taken before 1932.
2. Chase, A. S., U. S. Consul, Dairen, Manchuria.
 6 Nov. 1940. Resume of Economic Conditions in Manchuria (Kwantung Leased Territory).
 Report No. 28428.
 22-page report on the economic situation in the Kwantung Leased Territory and Manchuria in general, for the first half of 1940, with comparative statistics for the same period of 1939.
3. 28 Aug. 1941. Highway Statistics, Kwantung Leased Territory
 Report No. 24207.
 3-page report on highway construction during 1941.
4. Hind, Archibald, Editor.
 1939. The Shipping World. Yearbook, 1939.
 Has a directory of world ports, giving detailed description of port facilities of all important ports. London. (HE/951/S55).
5. Johansen, B. R., U. S. Vice Consul, Harbin, Manchuria.
 16 July 1940. Highway Statistics Questionnaire, 1940, Manchuria. Report 19294.
 7-page report more detailed than "Manchuria: Highway Statistics, 1941" listed elsewhere.
6. 31 July 1940. Semi-annual Review of Commerce and Industries.
 Report 22059.
 17-page report on all aspects of the economic situation in the Harbin Consular District.
7. Johnson, U. A., U. S. Vice Consul, Mukden, Manchuria.
 25 Aug. 1941. Manchuria: Highway Statistics, 1941.
 4-page report on highway construction.
8. Langdon, W. R. U. S. Consul, Mukden, Manchuria.
 24 May 1940. Report on Railway Map of Manchuria.
 Report 172.
 6-page report on railway construction in Manchuria, with outline map showing railroads in operation as of 1 May 1940.
9. Lloyd's Register of Shipping, 1938-39.
 Vol. 2, Appendix.
 Has section giving details of harbors and facilities of all important ports. London. (HE/565/A3/775).
10. Parsons, J.G., U. S. Vice Consul, Mukden, Manchuria.
 24 Jan. 1940. Railway Conditions in Manchuria.
 Report 5344.
 10-page report on the railway system of Manchuria and construction activity during 1939.
11. Pasquet, M., U. S. Vice Consul, Dairen, Manchuria.
 18 Apr. 1940. Foreign Trade of Manchuria, January-October 1939.
 Report 11938.
 39-page report with comparative statistics for the

12. Richardson, W. G., U. S. Vice Consul, Dairen, Manchuria.
10 Jan. 1941. Annual Economic Review, Manchuria, 1940.
Report 4289.
37-page report on all aspects of the economic
situation in Manchuria.

13. _____.
10 Apr. 1941. Monthly Economic Review, Manchuria, March 1941.
19-page report.

Note: The files of the Transportation Unit contain a mass of classified information from special consular reports periodical clippings, radio broadcasts, and other sources. Individual items are too numerous to be listed here.

1.

Index cards of climatic data:

Compiled by and on file at The Weather Bureau.
These cards give mean monthly temperatures, precipitation,
etc., for about 30 stations in Manchuria.

2. Manchuria Meteorological Observatory.

1930-1932.

Reports of Observations made in the Meteorological Stations
in Manchuria.

Dairen. (C/eba/M268r).

3. Minakoshi, Nobuo.

1928.

Ten Years' Report of the Meteorological Observations Made
at Kungchuling Agricultural Experiment Stations, 1915-1924.
47-page pamphlet. In addition to tables, there is a chapter
on periodicity of Manchurian climate.
(C/eb/M972).

LIBRARY OF THE U. S. NAVY DEPARTMENT

1. Bland, J.O.P.
1932. China: The Pity of It.
Has well-written 30-page chapter on "The Question of Manchuria," which ably presents a defense of Japanese policy. New York. (Jf:6/B642)
2. Cressey, George B.
1934. China's Geographic Foundations: a Survey of The Land and its People.
Excellent 400-page geographical description of China, including details of topography, climate, and people. About 50 pages devoted to Manchuria, with 20 good, small photographs. Photographic map of China. Extensive bibliography, with two titles on Manchuria. New York. (Has: 3/C922).
3. Cutlock, F.M.
1934. The Manchurian Arena: an Australian View of the Far Eastern Conflict.
Interesting 75-page study of the Manchurian problem, with a definite anti-Chinese, pro-Japanese point of view. Sydney. (Jf: 6/C989).
4. Dulles, Foster R.
1937. Forty Years of American-Japanese Relations
Contains a 25-page chapter on the Manchurian "incident" of 1931 and the establishment of Manchoukuo. Notably well-written and restrained. New York. (Jf:6/D883).
5. East Asiatic Economic Investigation Bureau.
1934. The Manchoukuo Year Book. Tokyo.
(Reviewed under Dept. of Agriculture list).
(Has:5/C551).
6. Hidaka, Noboru.
1940. The Comintern's Intrigues in Manchoukuo.
Published by Manchuria Daily News. 64-page pamphlet on history and activities of the Russian and Chinese Communists in Manchuria. Dairen(?) (Has:5/H632).
7. Hudson, G.F. and M. Rajchman.
1942. An Atlas of Far Eastern Politics. New York.
(Has/H885R).
8. James, Neill.
1942. Petticoat Vagabond in Ainu Land and Up and Down Eastern Asia.
310-page impressionistic account of a recent trip through East Asia. Includes 30 pages on Manchuria with interesting descriptive details, and 7 small, good photographs.
New York, (Ht/J28).
9. Japan-Manchoukuo Year Book, 1936. Tokyo.
Authoritative encyclopedia of information on all features, including geography, history, population, government, trade, etc. Manchoukuo section covers 400 pages. Statistics for 1936, published 1937. (Has:4/J36).
10. Kinney, Henry W.
Dec. Manchuria Today. Dairen.
1930. (Reviewed under Dept. of Agriculture list.)(Has:5/K55).
11. Lattimore, Owen.
1932. Manchuria, Cradle of Conflict.
Well-written, 300-page study of Manchuria, from the point of view of history and sociology. Has 3 small, good maps showing relief, tribal territories, and location of towns.
New York. (Has:5/L365).

12. 1934. The Mongols of Manchuria.
300-page study. Has 2 small, good maps showing railroads and tribal territories. New York. (Has:5/L365a).
13. 1940. Inner Asian Frontiers of China.
(Reviewed under Hydrographic Office). New York. (Has:3/L364).
14. Manchoukuo, Department of Foreign Affairs.
Aug. 1933 Manchoukuo: Handbook of Information.
(Reviewed under Dept. of Agriculture list) Hsinking. (Has:5/M268/BuI).
15. Matsuoka, Yosuke, President, South Manchuria Railway Co.
1938 Building Up Manchuria.
236 pages. Mainly a history of the South Manchuria Railway, but first 70 pages give a good summary of history of Manchuria. Entire book well salted with Japanese propaganda. About 50 good, small photographs. Tokyo. (Has:5/M434).
16. Mitchell, Kate L.
1942. Japan's Industrial Strength.
140-page, up-to-date study of Japanese industry, with 40-page chapter on Manchoukuo. In some cases, statistics as recent as 1941. New York, Institute of Pacific Relations. (Ppc/M681).
17. Rea, George B., Councillor to the Ministry of Foreign Affairs, Manchoukuo Government.
1935. The Case for Manchoukuo.
Well written 400-page defense of Manchoukuo, and incidentally of officials of Japan in their dispute with China. Logical and convincing. 12 small, good photographs. New York. (Has:5/R281).
18. Saito, Hiroshi, Japanese Ambassador to the United States.
1935. Japan's Policies and Purposes.
Selections from addresses and writings, including several on the subject of Manchuria. Though naturally pro-Japanese, the viewpoint is notably restrained and well expressed. Boston. (Jf:6/S158).
19. Scherer, James A.B.
1933. Manchoukuo, a Bird's-eye View.
140 pages. Impressionistic though interesting description of Manchuria, particularly of the larger cities. About 20 small, fairly good photographs. Tokyo. (Has:5/S326).
20. Schumpeter, Elizabeth B.
1940. The Industrialization of Japan and Manchoukuo, 1930-1940.
(Reviewed under Dept. of Agriculture list). New York. (Has:4/S392).
21. South Manchuria Railway Co.
May 1939. Sixth Report on Progress in Manchuria.
(Reviewed in Dept. of Commerce list). Dairen. (Has: 5/R425).
22. Stamp, L. D.
1935. Asia: A Regional and Economic Geography.
Excellent 700-page geographical study of Asia, with 20 pages devoted to Manchuria, giving details of history, physiography, climate, agriculture, population, communications, and industries. Many diagrams. New York. (Has:S783).

23. Stimson, Henry L.
1936. The Far Eastern Crisis-Recollections and Observations.
Interesting. 285-page diplomatic history of the Sino-Japanese conflict, with an extensive discussion of the Manchurian affair. Small map of Manchuria. New York. (Jf:6/S859).
24. Yano, T. and K. Shirasaki.
1936. Nippon, a Charted Survey of Japan.
470-page statistical study of Japanese trade and industry, with a 10-page Chapter on Manchuria and its industrial resources. Many tables and diagrams and a few small, good photographs. Statistics for 1932. Tokyo. (Has:4/Y24).

LIBRARY OF HYDROGRAPHIC OFFICE, U.S. NAVY DEPARTMENT.

1. France, Service Hydrographique de la Marine.
1936. Instructions Nautiques No. 381: Mer Jaune et Golfe du Pe - Tchi - Li. (Avec fasciculâ des corrections jusqu' a 1940). Official French sailing directions for the coast of Manchuria. Paris. (FR/VK/907).
2. Great Britain, Admiralty, Hydrographic Department.
1937. China Sea Pilot.
Vol. 3. Comprising the coasts of China and Manchuria from Fokai Point to the Oryuku - Ko. (With supplements to 1942). Official British sailing directions for the coast of Manchuria. London. (BA/FK/905/III/1937).
3. Lattimore, Owen.
1940. Inner Asian Frontiers of China.
Research Series No. 21 of the Am. Geog. Soc.
550-page, scholarly, well-written study of the historical development of China, Manchuria, Mongolia, and neighboring regions. Contains bibliography of about 350 titles.
New York. (G/57/AGS/RS#21).
4. U. S. Navy Department, Hydrographic Office.
1943. Sailing Directions for the Coast of China from the Yalu River to the approach to Hong Kong.
Ed. 4. HO124. (HO/124/1943).

LIBRARY OF THE SMITHSONIAN INSTITUTION

Imperial Japanese Government Railways.

1913. An Official Guide to Eastern Asia. Vol. 1: Manchuria and Chosen.

This 435-page guide book, on Baedeker model, has a 200-page section devoted to Manchuria, while out-of-date in many respects contains much valuable information and excellent plans of the larger cities. Tokyo. (508.518/E34).

South Manchuria Railway Company.

1936. Answering Questions on Manchuria.

84-page Japanese-inspired pamphlet with questions and answers on political geography, resources and industries, transportation and communications, finance, foreign trade, peace and order, immigration, extraterritoriality, education, sanitation and hygiene. Two small maps of Manchuria, one showing agricultural products and mineral deposits, and the other showing railways and motor-bus lines. About 40 small, rather poor photographs. Dairen. (508.518/S72).
