The Honorable John F. Gardner
Secretary of Health, Education and Welfare
Washington, D. C.

Dear John:

I am very sorry that you find it necessary to terminate your Department's participation in the National Intelligence Survey Program. This regret is all the greater because the work performed by your Department has been of very high quality and will not easily be replaced.

I appreciate your willingness to make informal temporary arrangements for continuing the work in support of the NIS Program,

25X1A
