The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Most useful: MBO in the Administration Directorate.

Least useful: DDA Management & Advisory Group.

Program benefit: Better overall understanding of the various ^{DDA} offices & their functions, as well as an insight into the various personalities from each office. The very frank & honest question and answer sessions were very good.

- C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

*Negative - It was, in my opinion, least useful of all sessions.
It is not an action group & most items on their agenda were
not really of substance or really very important. It is
good that people do have knowledge of the existence of the group
as a avenue of accessing upper management.*

- D. Other Comments:

*Really appreciated the time and effort of various
speakers and their response to my and all questions.*

*Felt EEO Director taking A/L after accepting
commitment to talk was in poor taste.*
